Yoga Retreats & Vacations.

2024-25

A wellness and relaxation break to spend days in the Yoga lifestyle, deepening yoga practices, meditation, spirituality; moments to be offered also to your family members who can accompany you without practicing but just to breathe the Peace spirit of Yoga.

Our Yoga School, in addition to daily programs and classes, has always organized Retreats and Residential Yoga Vacations in beautiful and carefully chosen locations in Italy and abroad, taking care of every detail in order to offer everyone special days that will leave beautiful and important memories.

A word of advice...Choose and Book with your heart!
